Cross-Reference

Appendix B. Program Cross-Reference

Command	Program	Command	Program
acct/*	Multi-User Services	auditwrite	AIX Operating System
chargefee		awk	AIX Operating System
ckpacct		back	Extended Services
dosdisk		backup	AIX Installation/Maintenance
lastlogin		banner	Extended Services
monacct		basename,	AIX Operating System
nulladm		dirname	
prctmp		bc	Extended Services
prdaily		bdiff	Extended Services
prtacct		bellmail	AIX Operating System
remove		bffcreate	AIX Operating System
shutacct		bfs	Extended Services
startup		biodd_cfg	Extended Services
turnacct		bj	Extended Services
acctcms	Multi-User Services	bs	Extended Services
acctcom	Multi-User Services	burst	Extended Services
acctcon	Multi-User Services	cal	Extended Services
acctcon1		calendar	Extended Services
acctcon2		cat	AIX Operating System
acctdisk,	Multi-User Services	cb	AIX Operating System
acctdusg		cc	AIX Operating System
acctmerg	Multi-User Services	cd	AIX Operating System
acctprc	Multi-User Services	cdc	Extended Services
acctprc1		cflow	Extended Services
acctprc2		chgrp	AIX Operating System
accon		chkcomp	AIX Operating System
actman	AIX Operating System	chmod	AIX Operating System
adb	Extended Services	chngstate	AIX Operating System
admin	Extended Services	installc	
ali	Extended Services	updatec	
anno	Extended Services	chown	AIX Operating System
ap	Extended Services	chparm	AIX Installation/Maintenance
ar	AIX Operating System	chroot	Extended Services
arithmetic	Extended Services	chtcb	AIX Operating System
as	AIX Operating System	clri	AIX Operating System
at, batch	AIX Operating System	cmp	AIX Operating System
audit	AIX Operating System	col	Extended Services
auditapp	AIX Operating System	comb	Extended Services
auditbin	AIX Operating System	comm	Extended Services
auditpr	AIX Operating System	comp	Extended Services
auditselect	AIX Operating System	confer	Multi-User Services
auditstream	AIX Operating System	config	AIX Operating System

Command**Program**

conflict	Extended Services
connect	AIX Operating System
cp	AIX Operating System
cpio	AIX Operating System
cpp	AIX Operating System
craps	Extended Services
crash	AIX Operating System
cron	AIX Operating System
crontab	AIX Operating System
csh	AIX Operating System
csplit	Extended Services
ct	Extended Services
ctab	AIX Operating System
ctags	Extended Services
cu	Extended Services
cut	AIX Operating System
cvid	AIX Operating System
Cvt	Extended Services
cw, checkcw	Extended Services
cxref	Extended Services
date	AIX Operating System
dbx	Extended Services
dc	Extended Services
dcopy	Extended Services
dd	AIX Installation/Maintenance
defkey	AIX Operating System
del	AIX Operating System
delta	Extended Services
deroff	Extended Services
devices	AIX Operating System
devnm	AIX Operating System
df	AIX Operating System
diff	AIX Operating System
diff3	Extended Services
diffmk	Extended Services
dircmp	Extended Services
diskusg	Multi-User Services
display	AIX Operating System
dist	Extended Services
dos	Extended Services
dosdel	AIX Operating System
dosdir	AIX Operating System

Command**Program**

dosread	AIX Operating System
doswrite	AIX Operating System
dp	Extended Services
dsipc	AIX Operating System
dsldxprof	Distributed Services
dsstate	Distributed Services
dsxlate	Distributed Services
du	AIX Operating System
dump	Extended Services
dumpfmt	AIX Operating System
echo	AIX Operating System
ed	AIX Installation/Maintenance
edconfig	Extended Services
edit	Extended Services
env	AIX Operating System
eqn, neqn, checkeq	Extended Services
errdead	AIX Operating System
errdemon	AIX Operating System
errpt, errpd	AIX Operating System
errstop	AIX Operating System
errupdate	AIX Operating System
ex	Extended Services
expr	AIX Operating System
factor	Extended Services
ff	Extended Services
file	AIX Operating System
find	AIX Operating System
fish	Extended Services
fmt	AIX Operating System
folder	Extended Services
folders	Extended Services
format	AIX Installation/Maintenance
fortune	Extended Services
forw	Extended Services
fptype	AIX Operating System
fsck, dfsck	AIX Installation/Maintenance
fsdb	AIX Installation/Maintenance
fuser	Extended Services
fwtmp	Multi-User Services
acctwtmp	
wtmpfix	

Command	Program	Command	Program
gdev	Multi-User Services	mvmd	
hpd		ipcrm	AIX Operating System
erase		ipcs	AIX Operating System
hardcopy		ipctable	Distributed Services
tekset		istat	Extended Services
td		join	Extended Services
ged	Multi-User Services	keyboard	AIX Operating System
gend	Multi-User Services	kill	AIX Operating System
get	Extended Services	killall	AIX Operating System
getopt	AIX Operating System	ld	AIX Operating System
gettext	AIX Operating System	lex	Extended Services
getty	AIX Operating System	li	AIX Operating System
graph	Multi-User Services	line	AIX Operating System
graphics	Multi-User Services	link, unlink	AIX Operating System
greek	Multi-User Services	lint	Extended Services
grep	AIX Operating System	ln	AIX Operating System
groups	AIX Operating System	locator	AIX Operating System
gutil	Extended Services	login	AIX Operating System
bel		loginx	AIX Operating System
cvrtopt		logname	AIX Operating System
gd		logout	AIX Operating System
gtop		lorder	AIX Operating System
